## **Logistics Manager** **Position Description**

**Department:** Transportation

**Reports To:** Director of Sourcing, Logistics, and Sustainability

**Classification:** Manager (\$60,000 - \$65,000)

**Status:** Salary Exempt

**Schedule:** Monday – Friday

Would you like to go to work knowing that every day you'll be making a real difference in the lives of at-risk people in your community? At Second Harvest Food Bank of Orange County that's exactly what you'll be doing. Every moment of your work day will directly impact our mission to provide food for those who need it, when they need it.

**Come join our upbeat, collaborative team who are improving lives every day by taking hunger off the table.**

We are committed to living out the Food Bank's core values of **Compassion, Integrity, Stewardship, Service Excellence and Diversity** in pursuit of our mission.

### **POSITION PURPOSE:**

The Logistics Manager oversees all daily transportation activities for Second Harvest's distribution center and fleet of trucks, including a team of 14+ drivers, a dispatcher, and a supervisor. The Manager will work with the supervisor and dispatcher to assign daily duties to manage the successful delivery of food to our network of community partners as well as pickups of food from our network of donors. Ensure appropriate compliance with all federal, state, and local regulations. Ensure regular inspections and operations in a manner that promotes food and general safety, in compliance with DOT, OSHA, FSMA transport, CARB compliance, FMCSA, and AIB standards. This position will utilize transportation management software (Samsara) – including logistics, trailer capacity, and site constraints – to improve responsiveness to delivery requests and nimbleness with changes and exceptions as they arise. They will ensure drivers, who are frequently the community's only face-to-face interaction with Second Harvest, provide the highest levels of customer service, respect, and integrity in all their work.

### **ESSENTIAL JOB FUNCTIONS:**

- Manage truck maintenance schedules for compliance of EPA and DOT rules and regulations, state inspections and preventive maintenance (BIT program).
- Oversee the utilization of technology/software within the department to maximize effectiveness and efficiency.
- Administer policies/procedures in a fair and consistent manner. Professionally address issues with employees, fellow supervisors and managers utilizing the proper resources.

- Manage the activities of staff in the development of route schedules and operator assignments to ensure efficiencies and on-time performance.
- Ensure excellent training to staff on personal safety, food safety, driver safety, and other trainings as needed.
- Leverage current opportunities with an innovative eye to what is possible.
- Provide and promote effective communication among the driver team staff, cross functional staff, and external partners including community partners and donors.
- Maintain CHP/FMCSA (DOT) compliance of driver files.
- Collaborate with Supervisor to ensure fleet is in working order, compliant and that all needed tools and supplies are available to the fleet as required.
- Collaborate with other departments of the Food Bank including Sourcing, Operations, and Programs & Services to ensure the safe, efficient, and customer service driven delivery and pick up of food for the community.
- Understand and have competent working knowledge of all processes and systems including but not limited to planning tools, iPad applications, computer systems, securement and proper operation of all transportation equipment and all other activities performed during the handling of product.
- Provide leadership and direction to Transportation Supervisor and Driver Team in an effective, positive, and value focused manner always adhering to all company policies.
- Provide reports on metrics as determined by the Director of Sourcing, Logistics, and Sustainability.
- Other duties as assigned.
